Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 30 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Wet, windy but mild overnight. Drier and clearer by dawn.

This Evening and Tonight:
Persistent and occasionally heavy rain with brisk winds sweeping in from the west across the region overnight, this lighter and patchier for eastern parts. Drier into the early hours, with some scattered showers lingering in the west, but staying breezy. Minimum temperature 4 deg C (39 deg F).

Wednesday:
Cold and breezy throughout. A bright morning with some showers in the west. Cloud and rain then spreading south through the day, but bright and showery later. Maximum temperature 7 deg C (45 deg F).

Outlook for Thursday to Saturday:
Thursday, cold with wintry showers and brisk coastal winds. Rain, sleet and hill snow overnight, then dry, bright but cold Friday. Chilly Saturday with rain and strong winds.
